

## Information on the registration for the examinations in the SS 2026

Exam registrations are made online using your User Account at:  
<https://pruefung.uni-rostock.de>

### Online-Registration: 18.05.2026 – 19.06.2026

Exams that are not listed in your examination regulations (external courses), exam registrations if you are in a semester of sabbatical, and registrations for additional subjects are excluded from an online registration. Please register for these exams until **June 12, 2026** at the latest at the student office by using the appropriate forms.

- You must register yourself for each desired exam, including the retakes.
- **Registration for improvement attempts** must be made within one year after the initial attempt – here, you must also register yourself for the examination.

#### Note:

When registering for exams in an elective subject, please make sure that you register them in the **correct elective subject!**

### Withdrawal from registered module examinations

Withdrawal of registration is possible **up to 7 days before the exam date** of a module without giving reasons.

- For written exams, cancellation is usually possible online.
- To withdraw from oral examinations, please use the form "Declaration of withdrawal from examinations."
- After that, withdrawal from a registered module examination is only possible if valid reasons (e.g., illness) are given. Such reasons must be reported immediately in written form and, if necessary, handed in together with supporting documents.

**If you fail to appear for a registered examination without giving notice of withdrawal or without providing credible evidence of reasons for your absence, the examination will be considered as taken and graded as "failed" (5.0).**
